TALK TOPICS

THE SECRET TO DATING HOT PEOPLE, LANDING DREAM JOBS, AND MAKING A MILLION DOLLARS

FOR: Students, Leaders, Freshman Orientation

THEMES: Networking, Personal Branding, Relationships

DESCRIPTION: Lisa Nicole Bell has the secret to dating hot people, landing dream jobs, and making a million dollars. Sound impossible? Not with the right network and interpersonal skills. Lisa's presentation takes the sliminess and weirdness out of networking and makes it easy, fun, and useful. ***Every student needs a networking strategy - it's the key to a great career and an even better life.*** Using real life examples and

interactive exercises, Lisa reveals the power of networking in real time in front of your eyes.

EFFORTLESS LEADERSHIP

FOR: Students, Leaders, Advisors, Faculty, Incoming Students

THEMES: Personal Responsibility, Positive Mindset, Leadership

DESCRIPTION: This talk has earned standing ovations and praise from college students and adults alike. Lisa brings **an inspiring yet practical approach to this talk that takes the audience on a journey to their most powerful and happy selves.** This talk infuses the school's goals for the students (i.e. improved grades, increased participation) with a compelling call to action. Students learn what leadership is really all about and how they can demonstrate it and out of the classroom.

THE AMERICAN DREAM, REVISED

FOR: Juniors and Seniors, Student Leaders, Business Students
THEMES: Entrepreneurship, Personal Development, Pursuing Dreams

DESCRIPTION: This talk brings Lisa's experience as an entrepreneur to the stage as she walks the audience through tried and true methods for living out their dreams. She reveals **secrets for starting a business on a shoestring budget.** This talk covers all of the basics: mindset, goal setting, and execution. This eye-opening presentation has inspired businesses and careers as students are fired up to get into

action on their goals.

LISA'S PROJECTS

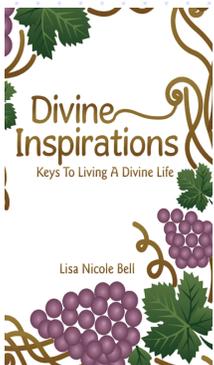

The American Dream Revised

The American Dream Revised is a docuseries and social action campaign designed to help Generation Y (18-35 years olds) start small businesses.

Inspired Girls International

Lisa and her team worked with girls throughout the United States and Africa on personal development, academic growth, and leadership. The result is thousands of lives that have been improved and thousands of young women who are ready to succeed in life.

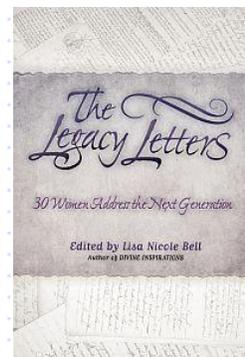

Divine Inspirations

Divine Inspirations, Lisa's debut book, offers a simple, easy-to-implement guide for applying lofty spiritual principles and personal development themes to the practical aspects of life.

The Legacy Letters

The Legacy Letters anthology features 30 high profile women writing letters to the younger version of themselves with advice on life, love, career, education, and much more.

INVITE LISA TO SPEAK TO YOUR GROUP!
