

# Lisa Nicole Bell

SPEAKER – AUTHOR - ENTREPRENEUR

Campus Activities magazine named her a **Hot Speaker** pick. American Entertainment magazine named her a **Speaker to Watch**. She's the new powerhouse bringing inspiration and instruction to campuses all over the world. **Lisa Nicole Bell** is an award winning filmmaker, social change agent, and Gen Y entrepreneur. Still **under 30**, Lisa has the wisdom of someone twice her age. She lights up the stage with a practical approach to helping students blast through barriers and achieve their full potential. Call today to bring Lisa to your campus!

Nikki Franklin: 314-421-9400 Ext. 112

"You did a great job with the presentation — **your speaking style was funny, direct and engaging**. Even the adults in the room sat up and paid attention!"  
-Christie Harper  
Event Coordinator, UCLA Sorority

## HOT TOPICS FOR STUDENTS

Note: These presentations can be tailored for teens or college students.

### THE SECRET TO DATING HOT PEOPLE, LANDING DREAM JOBS, AND MAKING A MILLION DOLLARS

Lisa Nicole Bell has the secret to dating hot people, landing dream jobs, and making a million dollars. Sound impossible? It's not with the right network. Lisa's presentation takes the sliminess and weirdness out of networking and makes it easy, fun, and useful. Every student needs a networking strategy - it's the key to a great career and an even better life. Using real life examples and interactive exercises, Lisa reveals the power of networking in real time in front of your eyes.

### DECIDE OR DIE: THE KEYS TO MAKING SMART CHOICES FOR THE REST OF YOUR LIFE

This eye-opening talk goes beyond scare tactics to help students understand the importance of making sound decisions and using their value systems as a method for making choices. Lisa outlines the science and art of making great decisions that guarantee success.

### L.E.A.D.

This engaging presentation offers a fresh perspective on leadership – offering students specific strategies for cultivating their inner leader in every area of their lives. With interactive exercises and simple yet powerful concepts on leadership, students leave prepared to resist negative energy and shine with confidence in the classroom and in life.
